THANK YOU

for your consideration in donating to the Jacksonville Women's Business Center!

JWBC is funded in part through a Cooperative Agreement with the U.S. Small Business Administration and the JAX Chamber Foundation, Inc., a 501(c)(3) non-profit organization. It is also funded by grants, sponsorships and donations. Under the terms of many of our grants, the JWBC is required to match grant funding received, on a dollar-for-dollar basis. As a program of the JAX Chamber Foundation, all donations, sponsorships or contributions to the JWBC are tax-deductible to the full extent of the law. Your contribution counts toward our matching funds, provides a tax deduction for you and, most importantly, helps a woman business owner receive the mentoring or education she needs to move her business to the next level.

JWBC has a 20-year history of success stories. Our programs have helped countless women achieve their entrepreneurial dreams. The Entrepreneur Certificate Program is often the first step in their journey, providing a solid foundation for future success.

Meet Delana Refour!

Navy veteran, Delana Refour's skincare business, Beautymark by Lanakaye, experienced significant growth after she connected with Annie Grogan at a conference and subsequently enrolled in the Jacksonville Women's Business Center's programs. By implementing the strategies learned, including defining her target audience and understanding her finances, Refour saw a 27% revenue increase, expanded her business space, and hired her first employee.

Impact on the Local Economy

Women entrepreneurs play a crucial role in the local economy. In Northeast Florida, women-owned businesses are growing at an impressive rate, contributing significantly to job creation and economic development.

The Need for Support

Many aspiring women entrepreneurs lack the financial resources to pursue the education they need. Your donation will provide them with the opportunity to gain valuable knowledge and skills, fostering their growth and success.
